The screenshot shows a mobile application interface for registration. At the top, there is a dark blue header with a back arrow and the word "Register". Below the header, there are several input fields with labels in Nepali. Each field has a small box containing a symbol that indicates the required format for the input. The fields and their symbols are: "नाम:" (Name) with an exclamation mark (!), "मोवाइल नं.:" (Mobile No.) with an at sign (@), "कार्यालयको नाम:" (Office Name) with a hash sign (#), "बीमा कोष अन्तगत:" (Insurance Type) with a dollar sign (\$) and a period (.), and "अबकाश कोष अन्तगत:" (Savings Type) with a percent sign (%). The "अबकाश कोष" field has a checkbox next to it. At the bottom, there is an orange "Register" button with an upward arrow (^) next to it. The status bar at the top shows various icons and a 16% battery level.
